

May 18, 2018

Ms. Alexis Strauss  
Acting Regional Administrator  
U.S. Environmental Protection Agency  
Region 9  
75 Hawthorne Street  
San Francisco, California 94105

Dear Ms. Strauss:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP), from the following air pollution control and air quality management districts (Districts):

- Butte County Air Quality Management District
- Eastern Kern Air Pollution Control District
- Mojave Desert Air Quality Management District
- Sacramento Metropolitan Air Quality Management District
- San Joaquin Valley Air Pollution Control District
- South Coast Air Quality Management District

These SIP revisions consist of adopted, amended, and rescinded District rules, as listed in Enclosure A. Also enclosed is CARB Executive Order S-18-004 adopting the Districts' rules as revisions to the SIP. To meet U.S. EPA's criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the Districts.

If you have any questions, please contact Mr. Kurt Karperos, Deputy Executive Officer, at (916) 322-2793, or have your staff contact Dr. Michael Benjamin, Chief, Air Quality Planning and Science Division at (916) 201-8968, or via email at [Michael.Benjamin@arb.ca.gov](mailto:Michael.Benjamin@arb.ca.gov).

Sincerely,

Richard W. Corey  
Executive Officer
